

PANCREATIC CANCER:
Families Move On

Lisa Strahs-Lorenc

At the rising of the sun and its setting . . . we will remember you.

At the blowing of the wind and the chill of winter . . . we will remember you.

At the opening of the buds and the rebirth of spring . . . we will remember you.

At the blueness of the skies and the warmth of summer . . . we will remember you.

At the rustling of the leaves and the beauty of autumn . . . we will remember you.

At the beginning of the year and when it ends . . . we will remember you.

For as long as we live, because you were a part of us . . . we will remember you.
